

## PSCI-351 : Competitive Moot Court

This course prepares students to participate in moot competitions sponsored by the American collegiate Moot court Association (<http://www.acmamootcourt.org/>). Students will write briefs on the annual ACMA case problem and the precedent cases in the problem case portfolio. Students will also practice oral argumentation on the case problem. Not all students will compete in the competition. May be repeated for credit. Taught in the Fall to coincide with ACMA competition schedule.
