

PSY-481X : Practicum in Applied Psychology

Supervised practicum experience in a public or private agency setting that provides psychological or educational services. A student may enroll in a practicum for three credit hours in a semester, and practicum credit may be earned in one additional semester. Grade based on supervisor evaluations, class attendance and participation, setting up a specific learning agreement, completing weekly note-writing, compiling a scientific rationale for intervention, and developing a case presentation. FILA general education: experiential learning.

Credits 3
