

## SOC-334 : Gender and Sexuality Studies

Introduction to a variety of conceptual frameworks and theoretical lenses relating to human gender and sexualities, including social constructionism, political economy, and cultural studies. A critical, global, historical, and sociological approach will be emphasized to unpack gendered and sexualized social structures like patriarchy, heterosexism, and hegemonic masculinity. Special attention will be paid to social movements and challenges to power/resource inequalities made by gender and sexuality-based minority groups. FILA general education: global dynamics. Offered alternate years.
