

PSY-570 : Practicum

Semester-long supervised practicum experience in a public or private agency setting that provides services to individuals that match the student's identified specialty area (A=Adult; C=Child/Adolescent; ID=Intellectual Disabilities; BI=Brain Injury; DM=Dementia/Memory Care; or CCJ=Corrections/Criminal Justice). Student will complete a minimum 200 hours within the semester, have a specified on-site supervisor, and the placement will be formally registered with the department (and for those applicable – also with Virginia Board of Counseling for QMHP-A and QMHP-C). The position may be paid or unpaid.
