

ART-457 : Advanced Digital Media Arts Studio 3

A digital media production course in which students produce a body of original creative work in a specific digital medium or media for a spring semester senior thesis exhibition. Independent production work, group critique, and familiarization with contemporary ideas and practices are emphasized. Students in Advanced Digital Media Arts Studio 3 continue developing ideas begun in [ART-455](#) or [ART-456](#). Students in [ART-457](#) help mentor students in ART-455 and ART-456. Meets concurrently with ART-455 and ART-456.
