

Registration

Students are expected to register in advance of the published registration dates to ensure their enrollment in preferred courses. Graduate students register for courses in the spring prior to their program initiation. Students are expected to confirm their enrollment and make necessary course changes promptly in the period devoted to registration at the beginning of each semester. Failure to confirm enrollment at the proper time will result in the assessment of a late registration fee.

The College accepts no responsibility for holding seats in courses for students who fail to confirm their enrollment by the day designated for that purpose.

By permission of the student's advisor, program director and the registrar, one may make adjustments in his or her program of studies during the drop/add period at the beginning of the semester. When a course is dropped after the drop/add period, and before the withdrawal deadline stated in the academic calendar, a grade of W will be shown on the permanent record. If the withdrawal occurs after the withdrawal deadline, a grade of F will be shown on the permanent record.
