

ART-457 : Advanced Digital Media Arts Studio 3

A digital media production course in which students produce a body of original creative work in a specific digital medium or media for a spring semester senior thesis exhibition. Independent production work, group critique, and familiarization with contemporary ideas and practices are emphasized. Students in Advanced Digital Media Arts Studio 3 continue developing ideas begun in Art-455 or Art-456. Students in Art-457 help mentor students in Art-455 and Art-456. Meets concurrently with Art-455 and Art-456
